

Diary of Ebenezer Parkman, 1774

1774 January 1 (Saturday). How could I have imagined that So poor, weakly, and especially that So Sinful and unworthy a Creature would be Spared to this Day! That I am indulged with another New-Year's Day Still! The divine Compassions, the divine Faithfulness and Truth do never fail. I desire with all my Heart, with all my Powers, to bless and praise His glorious Name. I endeavored to present Thanksgivings to God most gracious and merciful for His Goodness throughout my Life, a Life so wonderfully protracted! For the Favours of the Year past in Special. That there is so abundant Reason to bless that to such old Age I enjoy Such Health of Body, free use of my Limbs; though many Years ago I was very Subject to the Rheumatism, yet now have Ease, except Sometimes the Cramps 'o Nights, and once in a while a Spasmatick turn of Pain, which has been very excruciating, but through the infinite Goodness of God is not lasting. I bless God for *Relative* Favour for His Goodness in restoring Mrs. P _____ from sickness -- and reviving to Such a Degree, my Daughter *Baldwin*; delivering and recovering my Daughter *Cushing*, when she bore a Second Son. And for *public* -- What an invaluable Favour of our most gracious God that no less than 15 have been added to the Church this Year! And Thanks are due that the people have been so Succeeded in enlarging, repairing and decorating the place of public Worship. That we enjoy So many of our invaluable Rights and Libertys, Civil and Religious, notwithstanding the Grievances we are under, and it is a Day of awful Frown of God upon us for our great Sins against Him. Spent the Day in other Acts of Religion as I could consistent with my Duty in my Circumstances, and of preparing for the Sabbath which I turned into this Channel. Read *Bennets* Christian Oratory on *Thanksgiving*, renewed my Covenant with God imploring forgiveness of all my Sins, especially of the last year -- by prayer committed my Self and all mine, all the accidents and Changes before me, whether I live a longer or shorter time, to an infinitely kind, faithful God. But O that I might be more deeply affected with the Shortness of my Time. Ah! How extreme Short, and how uncertain! O that God would please, of His infinite Mercy, to enable me to prepare for the awful Hour, which approaches apace! That Death may not terrifie, but be welcome and joyfull to me! *Jonathan Maynard* having lived with me Eight months, and according to another Agreement after the first was out, left me this Morning; (having paid him upward of Sixty Pounds old Tenor). Mr. *Nathan Kenny* here to desire me to defer propounding his Wife, as he had thoughts to come in a little time himself. At Evening came my son William and brought with him his own little son; to our Joy.

1774 January 2 (Sunday). Bless God we may begin the Sabbaths of the Year. Preached on Ps. 24.3.4.5, the *Application*. P.M. on *Isa.* 63.7. Which O that God would please to fasten upon us! N.B. Prayers desired for *Thomas Whipple* of *New Braintree* (if yet alive), under a terrible Fever. His Father and Mother, Brother etc. gone up, Some yesterday, Some to Day. May the Lord appear for his Help!

1774 January 3 (Monday). My Son and grandson tarry with us Still. Visit Mrs. Parker again and pray with her. At Eve came an old, miserable man *Ichabod Jones*, he says, of Dorchester. He lyes by the Fire. A poor distempered, rheumatic, [Scorbutic?] Object. I keep his Horse also.

1774 January 4 (Tuesday). *William* and his little *Billy* return to Concord. P.M. I preached at Mr. Daniel Hardys on Ps. 119.126 to page [blank]. On God alone may we depend for a Blessing: O that He would please to add it! N.B. At Eve Mr. Beeton and his wife are here to See Mrs. *Kelly*, and they inform that at the Vendue of Miss *Mary Bradish's* House yesterday at Deacon *Woods*, there was one Mr. Jones, who goes about as a Vagrant, Sings, makes Verses and is sometime Crazy -- that this Man is expected to preach tomorrow at Mr. *Beetons* House. But I represented the sin and folly of it, and forbid it.

1774 January 5 (Wednesday). Mr. *Beeton* last Evening acquainted me that Deacon *Wood* warned the meeting at his (*Beetons*) House, for Mr. *Jones* to preach. I Sent for the Deacon, who came, and told me what he had said about this *Jones's* preaching and endeavored to clear himself of any warning of a Meeting, but yet Seemed to Shew a Disposition to go and hear him if he did preach -- nay and asked if I would not go too? I answered with warmth, and Shewed him the utter impropriety of it, and that it would be to his great Dishonor if he Should so Countenance what would be So imprudent, disparaging to the holy Ordinance of Preaching -- that it would be a lifting up the Soul to vanity, etc. -- and I must depend upon his wisdom and steddiness to Conduct suitably in the Affair. But what he will do I know not. We reckoned and he gave me a Note of Hand for what he owes me, Except an Error in the casting up. May the Lord grant me wisdom and steddiness at this peculiar Juncture among my Flock and Save them from Evil!

1774 January 6 (Thursday). I hear that Mr. *Jones* aforesaid preached at Mr. *Beetons* last Evening, and that though it was very Stormy, a great many assembled there: that Deacon *Wood* was there, and read the Psalm, that Mr. *Edwards Whipple* sat the Psalm. But I am at my own Business. Mr. *Benjamin Webb* came from Deacon *Woods* hither and acquainted me that Mr. *Jones* was there.

1774 January 7 (Friday). Am in my Preparations.

1774 January 8 (Saturday). Hear that Mr. *Jones* preached at Mr. *Tainters* last Evening. One *Duntan* was here at Dinner with us.

1774 January 9 (Sunday). I had prepared to preach on Ps. 92.12 a.m. but thought it would be best to wave that for this time. I repeated with Alterations both a. and p.m. Sermons on Joh. 1.12. Mr. *Jones* at meeting. One *Town of Oxford* dined here. After Exercises Mr. *Joseph Harrington* came in here. Said he was going to Mr. *Timothy Warrins* to hear Mr. *Jones*: I let him know that I could not approve of it, Since he was a stranger, had never let me know what he was, had not come to me, and that it was very disorderly for him to thrust himself in thus; and that it was very improper for him who was in covenant with me, to countenance Such irregular proceedings, and which were of Dangerous Tendency, by going to hear him. But he went that way notwithstanding as I understand many more did at Evening though a Cold season.

1774 January 10 (Monday). Am informed that Mr. *Jones* preached at Mr. *Timothy Warrins* last Evening. It is too severe Weather for me to go abroad. No one comes to Speak with me about

1774 January 12 (Wednesday). An exceeding Cold Season, yet my Son *John* is at the ministerial Lot cutting wood and sledding from thence. This Day, as I Suppose, Mr. *John Marsh* is ordained at *Weathersfield*. May his Soul be suitably apprehensive of the weight of the Solemn Charge, and May God most gracious Support him under it; help him in fulfilling, and in finally giving up his Account to God the Judge!

1774 January 13 (Thursday). Fine Day and good Sleighing, but I keep at home. Mr. *Benjamin Webb* came to see me. May it please the Omnipresent, omnipotent and most gracious God, the God of Knowledge and who has the Hearts of all men in His Hands, to pity His own Cause, His own Servants and His people, grant Wisdom and Direction, Peace, Assistance and an happy Event! Mr. *Ephraim Ballard* and a young man with him, from *Boston*, dined here. Says he saw Mr. *Moore* at Mendon last week, going to Oxford.

1774 February 8 (Tuesday). This Day I remember the Wormwood and the Gall, when it pleased God to take away the Desire of my Eyes, by the Stroke of Death. Thirty Eight years have rolled off Since; my soul is still humbled within me. And have need to be much humbled this Day when I reflect upon the little improvement of the divine Patience and Longsuffering whilst I have abundant Cause to bless His glorious Name that He has spared me through so long a Course, with so many Advantages and Benefits. May a gracious God pity, pardon and be gracious to me and quicken me to a due improvement of the Short, uncertain Remainder of my Pilgrimage, and that I may be ready when He shall see meet to Summon me also!

1774 February 9 (Wednesday). Many serious Reflections etc. etc. Have gone through the unhappy Controversie at Plymouth between Mr. *Cotton* and Mr. *Robbins*. It is a melancholly time as to the weather. A great deal of Snow has fallen to day, deep as it was before -- but we have Some *Wood*.

1774 February 10 (Thursday). Bright, but so windy as to blow up Roads. Neighbour *Joseph Bond* with Team of five Cattle trys, with my Team also, to fetch wood from *Brigham Lot*. My Son *John* goes to chop, and young *Nathan Maynard* with him; but it was so tedious they broke off about noon; with Difficulty got two Jaggs part of the way; but they brought but one home though they joined all the Cattle to make one Team. Mr. *Moore* came from *Oxford*.

1774 February 11 (Friday). Though it is So very bad Stirring by reason of the deep snow, yet I rode to Mr. *Parkers*, whose wife is still living, but in a low Condition. Discoursed with her, found she had comfortable Hope through Grace, yet not clear. Prayed with her and the Family under their great Affliction. Called at Mr. *Solomon Bathericks* -- talked closely with them -- instructed them and expected them to Repent etc.

1774 February 12 (Saturday). A great Variety of Conversation with Mr. *Moore*, of the State of present Times at *Rochester, Dartmouth, Plymouth, Newport* etc.

1774 February 13 (Sunday). Mr. *Moore* preached for me, a.m. on 1 Pet. 3.18, p.m. on *Prov.* 13.4. A very difficult Season, nor could we well get to Meeting without Help. Lt. *Bakers* young man came with a Sleigh, and transported us through the deep Snow -- and it Snows Still, all Day. A very thin Assembly: but may the Blessing of God So accompany the Exercises that we may not repent of our Pains who did assemble! And may God be very gracious to His Servant, and make him yet a great and rich Blessing!

1774 February 14 (Monday). Extremely difficult to get Wood; The Snow lately fallen and blown about into the Roads and Paths rendering them very impassable to the wood Lots: but, through divine Favour we have some Supply at the Door, which lasts us yet. Mr. Moore tarrys with us, and we are glad of this visit.

1774 February 15 (Tuesday). Lt. Baker had proposed to go with other Neighbours to get wood to Day, but by Tryal they found it impracticable. Sophy not well. Benjamin Fays Team 4 Oxen, drove by his son Stephen. Deacon Wood sent a yoke of Oxen to join with mine, and Mr. Jonathan Grout drove them. They all went Twice; and Mr. Moses Nurse also brought one Load. In all Eleven Load. At night, the most of them Supped here. May God reward them and bountifully! And grant me Grace to improve the Benefit!

1774 February 22 (Tuesday). They that went for wood yesterday, So broke the way, and made it fit to Sled in; and the Cutters cut So much more than was brought home; that therefore Lieut. *Baker* in his generousness sent his Team and Man again to Day, also to sled Wood for me; and Neighbour *Newton* in his Goodness likewise, sent his Team and Man to sled up, what was left and what another Number of Cutters cutt, viz. Mr. *Keene*, *John Fay* hired, *Stephen Maynard* hired, *Nathaniel Chamberlin* hired, and *Phinehas Brigham* (son of Widow *Hitty*). To the Teams, add my own of 3 Cattle, and p.m. Dr. *Hawes'* Steers instead of the Mare, and my son *John* drove. *Breck* also procured Mr. *Joseph Bond* to come with his 5 Cattle. each -- therefore brought 12 Load to day. P.M. rode to Grafton. Mr. Thomas Twitchell's Company to Mr. *Merriams* where I lodged. N.B. Elias received of Mr. *Taylor*, Davidsons *Virgil* borrowed of young Mr. *Frost* of Mendon.

And *Elias* a.m. sleds with our Team. P.M. *Breck* p.m. goes to *Lancaster*; and we have added to my oxen (instead of *Brecks* mare), Dr. *Hawes's* steers, and his young man to drive. Mr. *Joseph Bond* sleds to Day likewise. They brought home, in all, to day, Six Load. N.B. This Day received a Letter, dated this very day, the 24th, from my Son *Samuel* informing us that last Saturday at 5 p.m. his Wife brought him a fine Son. For which great Favour (Mother and Child being in a hopeful way) Thanks are returned to our most gracious God and Savior and may the parents have Grace to dedicate their offspring to the most high, and to bring him up in the Nurture and Admonition of the Lord! And may His Handmaid Still obtain Mercy and Kindness from God to perfect her Recovery! *John Fay* and *John P* _____ cutt out and Salted down the Pork killed yesterday. At Eve came Master *Thomas Stone* and *Joshua Winter* and both of them lodged here. Sorrowful Accounts of the *Breaking* of many persons, Traders and others, at this time. Especially Great Troubles have invaded my Neighbour *Spring*, who is now returned from an Excursion to *Providence* to trade off his Wares; but many Evils have lit upon him, which are too hard for him, as is feared.

1774 February 26 (Saturday). I was in great Expectation of Mr. *Bowman*, with my Daughter *Hannah* from Boston: and depend upon his preaching for me tomorrow, but he came not.

1774 February 27 (Sunday). Mr. *Bowman* has not come whom I hoped for. I had made Some Preparation but it was not completed. I preached a. and p.m. on *Jude* v. 21, first Clause, to p. 12, but with various Additions. 1774 March 1 (Tuesday). Through the Longsuffering of God we advance from Month to Month. P.M. preached at Deacon *Wood's* on *Eccl.* 8.12.13. Which will God please to Succeed! And that We may both renounce the paths of Wickedness and may wisely fear God that it may be well with us!

1774 March 2 (Wednesday). In Compliance with the Request of Aged Mr. *Charles Stimpson* of *Hopkinton* as Communicated to me by Letter from Mr. *Fitch* and brought me by Mrs. *Barrett* on the 25th ult., I rode over to *Hopkinton* -- but the Roads were so full of Snow, and the weather lowery, I chose to go in my Sleigh, and took *Breck* with me to drive. Called at Mr. *Barretts* Door -- he and his wife were going over to Mr. *Fitch's*. We proceeded there, and having taken Refreshment Mr. *Fitch* went with me in the *Sleigh* (instead of *Breck*) to Mr. *Stimpsons*, but it was difficult getting to the House, by reason of the deep snow. Mr. *Stimpson* I found in a very weak and languishing Condition; but in much Darkness and Distress of mind. Examined and assisted him as I could, and prayed with him and for him. He appeared to have good Tokens. I therefore endeavored to Strengthen and comfort, while I also admonished and Cautioned him. When I returned to Mr. *Fitch's* I resisted all Importunity to tarry, but though it was about 6 o'Clock we hastened home, lest tomorrow Should be worse. We arrived at about half after Seven, and without Harm. Glory to God our Preserver. N.B. Mr. *Barrett* gave me Dr. *Owen* of the true Nature of a Gospel Church and its Government, a Quarto. This is the 2d part of the Design, the 1st part of which I have had some Years.

1774 March 3 (Thursday). Mr. *James Godfry* came to desire me to go over to Mr. *Davis's* to marry his Brother *Daniel* of *Lancaster*, to *Ruth Bellows*. Went and officiated. Had unexpected plentiful Entertainment. I earnestly pray they may have the gracious presence of God with them and His Blessing on them. As *Ruth* has been so much One of my own Family I have great Tenderness towards her.

1774 March 4 (Friday). Both *Breck* and *Sophy* were ill last night, and droop today.

1774 March 5 (Saturday). This I conceive is a Day of Concourse at *Boston*, when the honorable Mr. *Hancock*, at 12 o'Clock delivers an Oration etc. etc. Mr. *Jacob Biglow* of *Sudbury* going to *Sutton* calls and dines. He informs me of the Death of the Honorable Lieutenant Governour *Olivers* Death. That he dyed last Monday, between 5 and 6 in the morn in the 68th year of his Age. I have known him from a Boy: always appeared Sober and pious, but his political Conduct has rendered him obnoxious to the severe Resentments of the People. May God Sanctifie this Death to all in the Magistracy -- and may I have a right Estimate of Life, and be continually in preparation for Death!

1774 March 6 (Sunday). Master *Taylor* came in the morning and preached for me both Parts of the Day. A.M. on 2 Pet.1.10. P.M. on Ps. 95.7. I prayed both before and after the latter sermon. May a gracious God accept and grant Success, for His own Name's Sake: and for the Sake of the infinite Merits of Jesus Christ! I hope the Sermons were well received by the Hearers. The Lord make this His servant a great Blessing! He returned at Evening to his Lodging, though it rained.

I directed, Supported and exhorted him, as I could and prayed with him as the Sorrowful Case required. But by Such interruptions of my Studys, I was obliged to have the greater Dependence on Mr. *Forbes* return from *Boston*, and preaching for Me, as I have requested him to do.

1774 March 27 (Sunday). I preached a.m. on *Act. 26.20*. But not being well, I did not read publickly. And having none of the help I expected, I preached my Self, delivering p.m. with Variations part of a Discourse on *Heb. 2.1*. Appointed a *Catechizing* for Children next Tuesday.

But what a Surprize were we thrown into by hasty Riding, etc. for the Doctors, for me etc. *Mrs. Morse* unhappy Woman! has cutt her own Throat with a Razor! about 1/2 an hour before meeting was done. I hastened to the House of Distress. Saw the horrid wound -- about 2 inches long. Dr. *Hawes* tells me the Wind-pipe is cut about half through. She is alive and to appearance Sensible. Sits pretty still while the Doctor Sews up the Gashes. But I say very little to her, as she under the Operation least it should Set her a Bleeding. Dr. *Ball* came to Assistance. Many people were gathered in to behold the Sorrowful Spectacle. Mr. *Morse* requested me to pray. I found she was not against it "with respect to Mr. *Morse* and the Children, but it could do her no good," as she expressed it. I prayed, when they had done what was necessary in the Sewing and Dressing. The Doctors tarry all night, as well as several to watch her. But I returned to my Family. May the holy, Sovereign God sanctifie this very awful Dispensation! Guard and restrain the Miserable tempted, frantic woman; Support and direct my poor Sorrowful Neighbour. 1774 April 8 (Friday). Mrs. *Godfrey* here helping Mrs. P_____ in some of her heavy work. Closely applied in my Study -- full of Concern about Mrs. *Morse*. O that God would be gracious to her and to the poor distressed Family.

Prayed fervently with her. O that God would look upon her next to desperate Case! Her mind not altered to any purpose.

1774 April 11 (Monday). Lt. Baker came to me with an earnest Message from Neighbour Seth *Morse* in his great Distress for his Wife, who is not like to live but a little longer: for now he requests there might be a Fast kept on her Account and that it be without Delay -- that it be tomorrow, notwithstanding the public Fast on next Thursday. I said what I conceived proper with respect to the necessary preparations. He would Send for the Neighbouring Ministers. And particularly the 4 nearest. Mr. *Sumner* and Mr. *Fish*. I objected against Mr. *Fisk* -- and let him know, it would give me inexpressible Disquietment. But he Said he knew they would peculiarly insist for Him; and entreated that in So extraordinary a Case, for the poor womans sake I would not refuse, that if we have any Mercy, and at Such an extraordinary Juncture etc. etc. The other Gentlemen named were Rev. *Stone* and *Fitch*; against whom I made no Objection -- but as to all of us it would be very difficult, to be interrupted in our preparations for the general Fast. In fine I consented to attend, and Mr. *Morse* requesting that I would write to the Ministers I agreed with Lt. Baker to send to Mr. *Stone*; which he (*Baker*) could carry as he was going to Framingham to Mr. *Sumner*, and Dr. *Flynt* could take it; to Mr. *Fitch*, and Dr. *Hawes* could convey it: but I could not write to Mr. *Fish* to come. I thought however that considering the Extremity they were in, for Mrs. *Morse's* Sake, hoping I Should speak to Him and bear Some Testimony against etc. I wrote Mr. *Morse* this word, that he might Send to him on this Extraordinary Occasion. At Eve I went there and Said a few things, and but few; She answered with as few. Prayed earnestly for her -- ripened the Desire of the Fast tomorrow by divine Leave and Assistance.

1774 April 22 (Friday). Visit Mrs. *Morse*: found no great alteration as to the State of her mind, except that she is thought Somewhat more insane. Her Body is more emaciated and she grows weaker. The Doctor there, to dress the wound. It is externally very much healed up: the Hole not bigger apparently, than a Hazlenut might be put into. She said but little. Her swallowing not better, and Speaks but in Whisper and to be understood but difficultly. I prayed with her. I think it was not so much against her Will, as heretofore: but she was not rational enough to discourse much with. Tis feared she can't continue long. An Object of Pity! 1774 April 28 (Thursday). I was obliged to preach my Lecture my self. The Text *Gal. 6.4* to p. 9. It was well I preached my self, there being so very few at Meeting that a Neighbouring Minister would have thought perhaps, that it was not worth while to be at the pains to come from another Town to preach to so small an handful of people. A great many pews both above and below, had no body at all: there was but one, a young woman in all the womens Gallery, both in Front and side. I could not but speak of it in my Sermon; but told those few who were present, that I was glad of *them* and wished they might find happy Reward etc. Mr. *Cushing* from *Ashburnham* at Eve, and lodged here. N.B. Cousen *Davis* dined here, with her Child, her mother *Maynard* after Lecture and drank Coffee etc. with us.

But his Certificate was lame; however, not so essentially as to reject it. At Eve *Elias* returned from *Brookfield*. Brought my Watch from Mr. *Earl* at *Leicester*. I went and found her breathing but insensible. Prayed with them and exhorted them. Dined there. N.B. Mr. *Ebenezer Chamberlins* Discourse about *Bolton* and Church Government. *Ezra Baker* present also. In returning I called to see Lt. *Bruce* and his Wife. Preach on *Isa.* 63.9 and delivered the whole of my Preparations which I have Spent much Time upon; for it could not be divided. I suppose I was Somewhat more than an Hour. After Sermon I gave the Church, as Such, an Account of what the Town had agreed to concerning a *Fast* next Thursday, on the Account of the public Distresses; and proposing it virtually though not directly to them, there was no Objection: therefore it was complied with as I conceive.

1774 June 27 (Monday). Deacon *Bond* came and delivered me 4 Papers of the public affairs relative to Signing a Covenant etc. I copied the Covenant with alterations. *Breck* returned from *Lancaster*.

1774 June 28 (Tuesday). Visit aged Mrs. *Woods* at Mr. *Daniel Forbes's*. Went to Mr. *Ebenezer Millers* and Spoke to the women, since the men were not there, of my utterly disliking Mr. *Millers* or his son *Harringtons* attempting to buy the woody Hill north of my House since I had so bespoke it and depended upon having it. N.B. [Met?] Mr. *Jacob Whitman* of *Providence*, and 3 women with him, going to *Stow*. P.M. read *vox populi, vox Dei*. *Thomas Bond* here about the *Boston* papers, Covenant etc. Read him my Draughts: he Seems to fall in with them. He carries back those I borrowed.

1774 June 29 (Wednesday). I rode to *Southborough*, it being *Fast-Day* there on account of the public Distresses. Mr. *Smith* Prayed at the Beginning. I preached on *Isa.* 4.5. P.M. At the End of the Sermon he delivered his Mind concerning the Covenant that is going about the Country to be Signed in all places by all persons, on highest Penalty. May God add His Blessing! The same prayed before Sermon. P.M. which I delivered from 2 *Chron.* 14.11, not attending to the immediate *Occasion* of the Words

of the Text, as to the Text itself and the Dutys now incumbent. No other minister came to my Assistance but Mr. *Stone*, but there was a considerable Number of Friends here at Noon, who came from *Marlborough*. Also one Mr. *Knight* (who learns [Latin?]) at Mr. *Goddards*) came with *Elias* from *Shrewsbury* and was refreshed with us. And O that what we have offered might not be a *corrupt Thing!*

1774 July 1 (Friday). Mr. *Fitch* of *Hopkinton* returning from *Connecticut* (whither he had been to wait on his mother) and with him his Sister *Wights* son *John* (about 13 years old). They dine here and I agree that on July 14th I will (God willing) assist him in a Fast at *Hopkinton*. N.B. Mr. Daniel Forbes one of the Committee of Correspondence here. Shewed him my Remarks on the Covenant etc. He desires me to let Dr. Hawes (who is another) See some of my papers concerning those Matters. At Eve Breck goes to a Military Meeting at Lt. Bakers, who I hear, is chose one of the Captains, to settle their Affairs. N.B. All those Expressions in the public News Papers which are further irritating to Authority are my continual Grief, but I would willingly, heartily, promote what ever is lawful, constitutional and consistent with Wisdom and prudence under our unhappy Circumstances, and that is our Duty under our Christian Obligations to undertake for our Relief, and for the Restoration of our privileges and Liberties, that we may again enjoy under God our wonted Peace and Harmony with Great Britain.

1774 July 2 (Saturday). Received a kind, respectful Letter from my dear Kinswoman Mrs. *Elizabeth Bradford* dated June 25. Capt. *Bradford* being then at *Havre Grace* Newfoundland. Old Mr. *Whitney* and Capt. *Jonas Brigham* are sent to me to desire me to go and assist 'em, by prayer and advice. Went and prayed. After prayer the Moderator (Mr. *Daniel Forbes*) requested me to communicate to them my Thoughts, if I had prepared something etc. I told him I had made no formal Draught: but read the Introduction and some other parts of my Remarks on the Covenant from *Boston*. Also what I wrote at Bottom of the Letter signed *William Cooper*. Sundry persons urged my tarrying and advising them with respect to what their own Committee had drawn up, but I answered that *I did not care to meddle with it*; for I conceived it was not *safe* for me to do it, Safe either *for me* or for *them*, especially by reason of the *Governors Proclamation*. I craved the Liberty to retire; not but that I was heartily ready and willing to improve my small Abilitys to my utmost in their service. It was asked me whether I would read their paper if it were Sent Me. I did not refuse

to do that in [onelay?] for them and I said I had no desire or Intention to offend any one of them all, not the least; but intreated, and challenged the Liberty of Briton and a New Englandman: and I prayed they would not be hasty in signing every thing; I could not advise to signing any Thing Seeing there was no immediate Necessity; Boston itself had not and their meeting was adjourned to the 19th. I conceived they would know better how to conduct if they waited a while, and had better perhaps till after the proposed *Congress*. I observed that there was not such an *Alternative* as was mentioned in the Covenant, viz. of Suffering Bloodshed or slavery, unless we would withdraw Commerce with Great *Britain*; for by the News from *Newport* it appeared that their Messengers to the *Congress* would propose a *general Address and Supplication* to the King from all the Colonys jointly. Before I retired I openly declared, for the Ease and satisfaction of all their minds, that I had signed no paper of Address or Recommendation of the late Governor and that I could not but take it ill that numbers of persons had been ready to take up a Reproach against their Neighbour. When I retired, they, as I understood went on to ripen for signing, and that many did sign. Capt. B. Fay here to speak about the Private Meeting expected to be at his House tomorrow; but considering the busy season it was put by till next month. Mr. *David Spofford* from *Townshend* here, and paid Interest 15£ old Tenor and 4 Coppers for a Months Delay: and 16£ of like money principal. Mr. *Caleb Harrington* here. Continual Reports from *Boston*, and all Conversations are upon the Governors Proclamation prohibiting Combinations and Covenants against Great Britain. Read various Pieces bound with *Vox Populi* etc.

1774 July 7 (Thursday). Mr. *Whitney* of *Northborough* here and sollicit my Changing with him next sabbath. He brought me the last London Magazines for *January*, *February* and *March*. Messrs. *Daniel Hardy*, *Edwards Whipple* etc. here. The former is disturbed that I would not so much as read, at the late Town-Meeting, what their Committee had prepared to be signed. I gave him some Reason for my refusing: namely that I was aware that if I heard it, I must either approve or condemn it -- but do which I will, I must of necessity be blamed. If I *approved* of their Draught, I must have exposed my Self to the resentments of Authority which I must teach all Men to avoid: for I must teach and *injoin* that "every soul be subject to the higher powers" -- "to obey Magistrates" -- as *Rom.* 13.1 and *Tit.* 3.1. If I Should dislike it, I was aware that they would not be easily turned aside notwithstanding from what they had done. I was not o' mind to render my Self Obnoxious either way.

1774 July 8 (Friday). Wrote to my Kinswoman, Mrs. Elizabeth *Bradford* at *Boston*. *Sophy* to Dr. *Crosby's*. Many Reports of the Forces arrived at Boston.

At Eve I agree with *Asa Ware* to live with me Still. He thinks he made up the time of the first Agreement, the 17th of October. So that he now begins again on Oct. 18 and is to continue to serve me -- Six Months: for which I am to give him fifty pounds old tenor So that for the whole year (if we live to finish it) he is to have £130 old tenor. *Asa* goes to Wrentham, designing to return in the forepart of next Week.

1774 November 7 (Monday). *An Important Day! The Day that concludes the 50th Year* Since the gathering the Church and Since my ordination. I desire to be duely affected with it. May the God of infinite Mercy pardon my many Offences, and blot out all my Transgressions! The Town met and, for what Reasons, they have not signified to me, they have not only not granted me my *Wood*, but *they would grant me no support* (as they are wont to call it). They have reduced me to the naked sallery of 55£ Lawful Money. At Eve Messrs. *Daniel Forbes*, *Joseph Harrington* and *Eli Whitney* were here and, afterwards Capt. *B. Fay*; and (the three former also) much on Several Things which they think the Church ought to take Cognizance of, which I was,

my self, desirous they Should consider; namely the Case of Mrs. *Eunice Rice*, and Mr. *Samuel Fays* long Absence from public worship, and from Special Ordinances. But they added that there was a young woman from *Bolton*, now married and come among us, and it would be needful to see whether she might have communion among us. I was sorry to have these Things to interrupt my Mind this Evening -- but I, nevertheless, consented that if they prepared for it, there might be a Meeting of the Church for these purposes: and I told them I was willing to gratifie them in any thing wherein I reasonably might. Capt. *Fay* informed me that the People desired we might assemble on Lords Days at 10 of the Clock in the fore noon for public worship.

1774 November 8 (Tuesday). Young Mr. *Aaron Hutchinson* here and dined with us. At Eve Mr. *Moore* came and lodged here. *Asa Ware* returned from *Wrentham* at Evening also.

1774 November 9 (Wednesday). *John* at Eve came from *Lancaster*. *Alex Oliver* from *Brookfield*. Mr. *Charles Lawrence* from *Ashbuy*, came to buy my Lot of Land adjoining to his. I sold it to him for 145£ old Tenor. He paid me 10 Dollars -- and we signed an agreement about the rest, and that I would give a Deed when the rest should be paid. He tarried with *Breck*, over night. Mr. *Cushing* and Mrs. *Parkman* came this Evening from *Ashburnham*. My Daughter *Cushing* was delivered last Friday, and through the Great Goodness of God has a *third son*. They have called him *Henry*. To God most High be all Glory and Honour!

1774 November 10 (Thursday). I have the Comfort of a Number of my Children and others with me, this Morning. But Mr. *Moore* and Cousen *Oliver* went to *Boston*. *John* and *Sophy* to *Lancaster*. Mr. *Lawrence* early to *Ashby*. Mr. *Cushing* after Dinner to *Shrewsbury*. Mr. *Fisher* and his Journeyman, mend the floor before the Kitchin Hearth and putt up Mantel shelf etc. I am continually hindred and prevented in my Studys -- to my Great Grief.

1774 November 11 (Friday). Mr. *Mellen* of *Chauxit* here -- informs me that a major part of the Brethren of his Church had voted his Dismission: and that he and the Brethren that abide with him have Sent out for a Council, of 11 Churches, to meet at his House next Tuesday, viz. the Church under the pastoral Care of Rev. *Rogers* of *Littleton*, *Stone* of *Southborough*, *Webster* of *Salisbury*, *Tucker* of *Newbury*, *Whitney* of *Northborough*, *Bridge* of *Sudbury*, *Cummins* of *Billerica*, *Howard* of *Boston*, *Stone* of *Reading*, *Johnson* of *Harvard*, *Payson* of *Fitchbourg*. He told me they did not Send for our Church because there was So much Connexion between many of our Church and the people of *Bolton*. P.M. Mr. *Belknap* came to See me. Sorrowful Avocations increase! Two Companys train at the Meeting House: which though I did not go out, yet occasion interruptions.

1774 November 12 (Saturday). Am under heavyest Troubles that I have (I think) at any Time been in, by reason of the unfitnes of my Frame and unpreparedness for this Season's arriving. I have so much desired to keep the *Jubilee* with *Jubilation*. But I am under the holy Frown of Heaven by the Disquietness of my People with me. This presses me sore, and deprives me of sleep. With the Various Interruptions of the Week, and the perplexities of my mind, I am but too brokenly and imperfectly prepared for the Services of the Sabbath. May God graciously appear for me and help me!

1774 November 13 (Sunday). God is gracious and compassionate, and allows me to see *another sabbath*. It begins the Sabbath of a *New Year* with us and a New Jubilee. The Lord be magnified! I am Somewhat Supported, and assisted, or I could do nothing. I went to Meeting Early -- there was but one man (Mr. *Thomas Frost*) and 2 Boys there, yet it was past 10. *I break off the public Reading*; for I understand that one thing mentioned at the late Town Meeting as disquieting to some is my public Reading the Scriptures; though I have generally offered Something by way of Exposition -- [or?] to open what was difficult therein. Preached a. and p.m. on *the Acceptable year of the Lord, Isa. 61.2*, with Such applications as were proper to the present Occasion. Master *Jenison* and *Holland* at dinner with us. P.M. preached on *Ps. 23.6*. May God help me to repair to Him, for this Grace that may qualify me for these invaluable Favours, and that I may have the Comfort of this Faith and Confidence in God! May I also resolve in the Strength of God that I will continue in His Service as long as I exist, and never desert His Sanctuary! Received a letter from Mr. *Sumner* requesting my help at a Fast.

1774 November 14 (Monday). Read Dr. *Pembertons* usefull and elegant sermons on "Salvation by Grace through Faith." May they be blessed to my highest Good! Master *Waters* not well, and breaks off from keeping School.

1774 November 16 (Wednesday). Though it was rainy yet *Breck* (who had been to *Lancaster* to wait on his sister *Sophy* there to work for *John*) returned from thence; and tells me that the Council which Mr. *Mellen* had called, could not get together yesterday, and embody, so soon, but that the Congregation of *Chauxitt* were together at their Meeting before them and Voted Mr. *Mellen's Dismission*.

Hear the Prayers, accept the Humilliations, prosper the word delivered, and Smell a sweet Savour of Rest -- that our Distresses may be removed! Returned home at Eve, and called at Mr. *Ben Hows*, and other Neighbours as I could.

1774 November 18 (Friday). Old Mr. *Nathaniel Whitney* dined with me. Our Conversation soon turned upon *Bolton*, and my (as he called it) withdrawing Communion with them. Mr. *Elisha Goddard* of *Sutton*, come from Boston, says that yesterday a Vessel from *England* brought News that there was a *new Parliament*. At Eve Deacon *Wood* here, and informs me that Mr. *Whitney* had been with him, asking him whether he would not go to Capt. *Benjamin Fays* this Eve, for there was to be a meeting there this Evening (though the Captain is Sick) to draw up and Sign Articles for a Church meeting; But Deacon chose to come to me. N.B. Mr. *Whitney* gave me no

account of this meeting. I was much obliged to the Deacon for this Kindness and Friendliness. At Eve also came my Kinsman Mr. *Alexander Oliver* from Boston, who acquaints me that my Grand Daughter *Coffin* of *Gloucester* is Safely delivered; and Mother and Child in an hopeful way. To God most high be Glory and Praise. This is *the first Great Grand Child* I have been blessed with. May it be a great Blessing to its Age!

1774 November 19 (Saturday). My Kinsman *Oliver* returned to *Brookfield*. *Sophy* came home from *Lancaster*. Mr. *Joseph White* came with her and dined here. The News from thence is, that Mr. *Harrington* is in great Perplexity from the apprehensions that Some of the Members of *Chauxit* will offer them Selves to partake with them tomorrow at the Communion, when if they be not admitted a number will be offended, and if they are, Some will be like to withdraw. May the Lord Himself interpose! A 2d Letter from [Samuel?] *Swift* Esq.

Mr. *Daniel Forbes* here and brings a Paper signed by Eleven Church Members to request a Church-Meeting to bear Testimony against the "Considerations of the Convention last Year, and against private Combinations and Signing Papers against a neighbouring Church etc." (meaning I suppose what Our Association did with respect to *Bolton* Brethren when they had run to Exremitys in their Contentions). But Mr. *Forbes* said they had no Design to raise up any Contention, nor prevent the appointment of the Communion. At Eve *Ezra Bellows* and *Ruth Harrington* were married. 1774 December 22 (Thursday). Am much engaged in my preparations. Am concerned about *Breck* who does not come home till night, it being difficult Weather, and the night dark -- till at length he came with his Mare in his Hand, Strangely and Suddenly distempered. Has been obliged to Send *Nehemiah Maynard* to Mr. *Job Carly's* -- but he did not come.

1774 December 23 (Friday). *Elias* goes to hasten Mr. *Carly*. He came, dined. We killed a large Sow, and Mr. *Carly* uses it as a Medicine against the Mares Disorders. He designs also to give her Oyl of Turpentine. These being good Remedys against the Botts. He leads the Mare to his House beyond *Northborough*.

1774 December 24 (Saturday). My mind much exercised about appointing a Church Meeting -- but several Things obstruct my doing it, viz. Mrs. *Rice*, a principal party, Should be sent to; or spoke with that she might be apprized of it. The Town are also to have their Meeting; and yet our Church meeting should not be deferred much further.

1774 December 25 (Sunday). A.M. on Ps. 89.47. P.M. on Joh. 5.40. Cousen *Davis*, and Miss Molly *Badcock* dined here. N.B. at noon I spoke with Mr. *Daniel Forbes* about the Church Meeting -- and the difficulty attending my conferring with the Church to day, by reason of the weather (it being rainy etc.). He answered me that there was no hurry. I replied, that then the Signers could not blame me for still deferring it. He answered again, "O, no." I asked him to come to see me. He said he *would*. Mrs. *Sarah Forbush* grows worse.

1774 December 26 (Monday). Could not visit old Mrs. *Forb*. by reason of the storm. I was closely engaged in my studys and Devotions, as the times are very dark and difficult in Church as well as state. The Lord pity us!

1774 December 28 (Wednesday). Jejun. and Prec. May god graciously pardon and accept, through Jesus Christ!

1774 December 29 (Thursday). The Snow is so very deep that one *Hezekiah Haden* with two strong Teams going to *Boston* was stopt at Deacon *Woods*, and cant get along with his Loads. A Number of Neighbours come with their Teams to his help and break the way with great Difficulty. *Elias* goes with my Oxen as far as *Andrews's*. Deacon *Wood* was in here, acquaints me with Capt. *Brighams* uneasiness with me that I don't appoint a Church Meeting -- whereas we cannot be ready as yet for one.

1774 December 30 (Friday). *Town-Meeting* to See whether the Town will accept of the *Association* of the *Continental Congress*; and how far they would comply with the Resolves, Address etc. of the Provincial -- and choose one or more persons to represent them at the

Congress proposed to meet at Cambridge next February. I took this Opportunity to Send a Paper to the Town (Since I could not bear the Cold so well as to attend there my Self, as I wanted to), Signifying my Concurrence etc. and endeavouring thereby to remove misunderstandings concerning Me, who am heartily Set against Despotism and Oppression etc. N.B. Mr. *Daniel Forbes* is here, and is smooth; is Satisfyed with what I do about the Church Meeting. But at Evening Messrs. *Eli Whitney* and *Jos[ep?]h Harrington* were here contesting and disputing with me, though Such an Evening as I could not Spare, and I told them I was not willing to maintain any Controversie with them about Church Government. They insisted to know whether I held that the Pastor had a *Negative* upon the Brethren. Upon which I told them I never had exercised, for I never had Occasion in all these Years to exercise that Power. They Said they Should be offended with me if I held that a minister had it. Upon which I Shewed them Dr. *Cotton Mathers* Magnalia -- the 30 Cases by 17 Ministers at College Library, Venerable *Higginson* and *Hubbards* Testimony; Mr. *Wise's* Book on Church Government etc. besides these, the Platform. They acknowleged the old Books -- for I handed down Mr. *Cotton* of the *Keyes*, old Dr. *Mathers First Principles* -- *Order of the Gospel* etc. etc. etc. But say these Brethren, "mayn't they Err?" Why, yes (I answered): but they might see what Strength we had for our Defence etc. etc. May the Lord sanctifie these altercations, and prepare me for His holy will!

1774 December 31 (Saturday). So deep and drifted is the Snow that Hezekiah Haden, with 10 Cattle in his two Teams, and though helped by neighbours as he trys to pass the Roads, that he gets no further towards *Boston* than Dr. *Parkers* in Southborough, he returns back. Through the Long-suffering of God I am brought to the Close of another Year. The Occurrences of it have been very remarkable: Especially by the Changes in the Civil Government -- Governor *Hutchinson* gone to *England*, Governor *Gage* in his Room. The General Court is moved to *Salem*, which is made the chief Seat of Government. The Counsellors made by *Mandamus*. General Court soon dissolved. The Company of Cadets resign and are disbanded: Boston port blocked up by men of War: the Common, the Neck, and Fort-Hill have 5 Regiments. The *Continental Congress*, and the *Provincial* meet, one at *Philadelphia* Sept. 5, the other *Concord* and *Cambridge*. The Towns in Confusion by Reason that the Superior and Inferior Courts cease. Mobs and Riots; *Whigs* and *Torys* -- as if our Happiness were *nigh to an End!* O God save us!
