1758 August 9 (Wednesday). Mr. Forbush not being come, Dr. Gott and I, and my Son Ebenezer with us, rode up the Road to meet him; but saw nothing of him -- yet heard still of him, that he was coming. I dined at Deacon Cutlers. Went to Nicols's -- where I was long detained by the heavy Rains. Returned at night very Wet -- to my son Baldwins, where I lodged. N.B. Dr. Munro gave further account of Mr. Forb.
