

Dr. Charles Pynchon (1719-1783) of Springfield

1759 June 27 (Wednesday). Dr. Charles Pyncheon of Springfield here at Mr. Forbush's request that something might be done about Dr. Wilsons going Surgeon of the first Battalion under Brigadier Ruggles.

1759 July 2 (Monday). I Should have gone to Hopkinton to see whether Dr. *Wilson* has a Mind to go Surgeon in the Army, according to the Desire of Dr. *Pyncheon* that I would; but it prov'd a very rainy Day.
