

Bulls

1739 April 24 (Tuesday). My old Red Cow Calv'd a fine large Bull Calf.

1760 October 4 (Saturday). N.B. Heard that Mr. James Maynard was badly wounded by a Bull's hooking and tossing him. We therefore went that way to see him. A great Mercy of God that he was preserved from Death.

1781 August 14 (Tuesday). Called to see old Mr. Daniel Hardy, who was lately hurt by a Bull and is lame.
