

## John Chowin

1772 June 10 (Wednesday). I chose to stay at home. *John Chowin*, an Indian, or rather Molatto, here, and acquaints me with the Death of his infant Child and desires I would be the Funeral of it tomorrow.

1772 June 11 (Thursday). Our Little Robert-Breck is dipped twice this Morning. Visited Mr. Tainter and prayed there. Both my Daughter in Law Kezia and Miss Patty Fish are still with us. Wrote by John Arnold to my Cushings. Rode to *John Chowin's* Wigwam; prayed there and attended the burying the Child.
